

## MISC

### USB flash drive stand alone testing software

Ultimate Boot CD:

<http://www.ultimatebootcd.com/index.html>

Ultimate Boot CD is completely free for the download, or could be obtained for a small fee. If you had somehow paid a ridiculous amount of money for it, you have most likely been fleeced. The least you could do is to make as many copies of the official UBCD and pass it to your friends, relatives, colleagues or even complete strangers to minimize the per unit cost of your loss!

YUMI – Multiboot USB Creator
